**Team members:**

Mark, Lee, Pete, Art, Chris, Bill, Brian, Brad

**Mark** sponsors the team through his dental practice, Arlington Dental. So, if you need a good dentist look him up! He is usually the straight man to his dad's famous jokes. Everyone loves Mark. He's just one of those genuinely GOOD guys!

Average: 173

**Art** is Mark's dad and the Patriarch of the team, at 74 years young. I call him Pops. There is no one sweeter than Art, and no one with an arsenal of jokes like his. You can usually tell when he bowled because the newsletter is long and full of his "Artisms" and jokes! We all love him to death!

Average: 174

**Bill** is our Wild Man. Well at least that's what we call him, Wild Bill. He sure does bring entertainment to the table and every now then, he really surprises you with an awesome game! You have to watch out for his "Billisms" though!

Average: 150

**Brad** bowled with us last year and started this season. Unfortunately, he had to stop bowling because of his new career. A man has to take care of his family, so we all respect that. But, for sure we still regard him as a member of the team

Average: 200

**Brian** is the newest member of the team. He is also Mark's partner at his dental practice. He's the only lefty on the team, and a good one at that. Welcome aboard.

Average: 187

**Chris**, is the baby. At only twenty years old, he is by far the youngest team member. Unfortunately, with that youth comes lots of abuse. He takes it well and is for sure earning his stripes. If he didn't have thick skin before he joined our team last year, he will soon.

Average: 163

**Lee** is our anchorman, and by far the best bowler on the team. He is actually in the top three in the league with an average just under 210. Lee and I have been good friends for over 10 years. He is also my teammate on our softball team. There just aren't too many sports that he does not play well.

Average: 209.

**Pete**, that would be me. I'm not good at writing about myself. I might be the most competitive guy on the team, so I strive to win. Although, losing is fine as long as we have fun.

Average: 196

**Team Slogan:** Shut Up And Bowl!!

*Notes:*

- We won the championship last season, but it was in a different league. This league is much more competitive.
- We don't get many visitors or fans to come and watch us. So, if you are ever in the area on a Friday night, stop by and have a drink. I can guarantee you will be entertained.
- If you decide to read the newsletters, please keep in mind that this is an all MEN'S team. The conversations are *typical guy conversations*. **So, please BEWARE!** In no way is anything meant to be offensive. For guys, it's just fun stuff. So, if you are not into that sort of thing, I'd say enter at your discretion, and don't say I didn't warn you.
